

UNFS Pulse Check Meeting

Date: Thursday 18 February 2021

Time: 1-5pm

Location: Napperby Tennis club

Afternoon tea provided

The GRDC Southern Pulse Extension project, delivered by a consortium of organisations involved in the pulse industry across GRDC's Southern region, provides a collaborative opportunity to increase the knowledge of growers and advisers on sustainable pulse production, improving the Southern Region's capacity to maximise future growth and profitability.

Attendees do not need to have attended previous meetings or have any prior knowledge of pulse production.

With Guest Presenters:

- **Penny Roberts, SARDI** will present findings from 2020 Pulse Agronomy trials at Fullerville and discuss 2021 trial opportunities.
- **Sam Holmes, Central Ag Solutions** will discuss growing lentils in a closer rotation and the issues to watch out for.
- **Richard Saunders, Pinion Advisory** will guide through a farmer friendly gross margin tool to assess risk and profitability of different rotations.
